Would you like to bring your lawn back to life?

When it comes to rejuvenating your lawns it can require a lot of TLC, hard work and specialist treatments. Thankfully this is just one of the many grounds maintenance services that Kent-based company C & A Landscapes specialise in.

With the recent arrival of the spring season, it's the perfect time to make a start on reviving your grass and lawns to bring them back to life ready for the summer. Spring is commonly known as the Gardener's favourite time of the year, when they begin their preparations to make the garden look beautiful and ready to enjoy during the forthcoming warmer weather. Throughout the autumn and winter months, grassed areas can become lacklustre, weather beaten and look lifeless.

C & A Landscapes offer a range of services which will help make your grass and lawns look their very best.

- **Have you considered a feed & fertilise treatment?**

Connect with us:

**Clive Andrews,
Director of C&A
landscapes, says:**

"Our team are highly skilled, professional and passionate about their work. They would be delighted to take care of the hard work for you whether you're a domestic or commercial customer. The locations of our business premises allows us to cover a large area of Kent, Sussex and the South East".

This will help in building the grass strength back up after the cold winter and get your lawn ready for summer.

- **Do you have unsightly bare patches on your grass?**
C & A can easily sort this out by sowing grass and, top dressing which can bring your lawn back to life.
- **You could consider scarifying your grass?**
Lawn scarifying removes both moss and thatch from the lawn. This will help rejuvenate your grass.
- **Are you considering creating a new grassed area?**
This time of year is absolutely perfect for laying new turf, as it will quickly establish itself to the soil during the spring weather conditions.

If you would like some expert help with your lawns, or any other type of gardening and grounds maintenance, please get in touch with the team at C & A Landscapes via calling [01622 739968](tel:01622739968), emailing info@candalandscapes.co.uk or visiting the Company's website at www.candalandscapes.co.uk. They will gladly arrange for a specialist to come and take a look and provide you with our recommendations.
